Construction Schedule

- Tuesday 11/12: Start Time: 08:00 am to 05:00 pm
- Wednesday 11/13: Start Time: 08:00 am to 05:00 pm
- Thursday 11/14: Start Time: 08:00 am to 05:00 pm

This is a construction advisory notice. We are now starting our work on Tuesday the 12th because of weather delays from last week. We will again need all parking spots on the street to be cleared. This project will be ongoing until the end of November. If you are uncertain of the parking situation I will leave all my information to contact me. If you have any questions please don't hesitate to contact me.

Thank you for your time and cooperation !
